With recent increases in the cost of lumber, and the option of replacing the wooden fence with man-made material, the estimated future cost to remove and replace the entire 1,340 feet of wooden fence would be between \$70,000 and \$80,000.

MOTION by Ray Rohr (48 Enderby Crescent), seconded by Jim Henderson (44 Enderby Crescent) that the Board of Directors be directed to increase the Reserve Fund cap to \$52,000 to cover approximately three-quarters of the estimated future replacement cost of the wooden fence.

2019-20 President's Report
Erin Ridge Active Adult Living Homeowners' Association

October 7, 2020

Since our last AGM, we have welcomed five new Homeowners - John and Theresa Egdom at 24 Enderby Crescent, Reginald and Peggy Rees at 68 Enderby Crescent, Pamela Filipchuk at 20 Enderby Crescent, Doug and Lorraine Demers at 42 Enderby Crescent, and we welcome back Kaye and Garth Mockford, this time at 46 Edward Way.

We also welcomed new contacts at KDM – Richard Dendwick, Property Manager and Angela Paris, Administrative Assistant.

As you heard from the Treasurer, our finances continue to be in good shape, and we do not anticipate an increase in the monthly fees in the foreseeable future.

In March, the Board negotiated a three-year contract with Do-All Landscape Ltd. for summer maintenance and winter snow removal. A Committee of the Board met with Do-All before we finalized the contract to outline the Board's concerns about the level of service provided last winter and our expectations for summer maintenance. We also renewed the contract with Branches Tree Care for a two-year term, to provide seasonal arborist services and educational material.

The spring of 2020 marked the twentieth anniversary of the first Homeowners taking possession in the development. It is encouraging to see both original owners and new owners undertaking projects to keep the properties looking good. During the past year, the Board ratified or approved a record number of Applications for Project Approval. The projects included deck replacements, addition of a sunroom, window replacement, deck and stair repairs, tree replacement, and landscape improvements. Unfortunately, many of the applications were for removal of diseased trees; however, those trees are being replaced by varieties more resistant to disease and pests.

We thank the members of the three Committees which the Board has established. The Tree Committee continues to do a great job of coordinating arborist visits. We called on the Fence Committee this year to update information about our wooden fences. The Newsletter Committee continues to create informative and interesting editions.

As always, we thank those who maintain the Little Library and those who maintain the flower beds by the entrance signs and north mailboxes.

It is nice to see that during this Covid time when we can't hold a block party or a ladies lunch, folks are keeping in touch by socializing on their driveways – physically distancing, of course.

Jim Terry has served his maximum three terms on the Board and will be leaving the Board this evening. Jim served as a Director, Secretary and Vice President and we thank him for his service.

I thank the current Board members for their continued commitment and support this past year.

On behalf of the Board

Peggy Corner
President
